A Tale of Two Cousins

Presented by local resident and longtime JJC member Sherwin Gluck, author of "Private Good Luck", the true story of his father, a young, religious Jew from Czechoslovakia who flees Fascist Europe after the start of World War II and immigrates to the United States in search of religious freedom (expected publication date Summer 2018) and "TR's Summer White House, Oyster Bay". Mr. Gluck has culled his presentation from 75 year old family letters, photographs, and memorabilia.
