Before and after care available at \$12.00 an hour 8:00-6:00

Please initial _____

Hot lunch available for \$4.00 per lunch

(Over)

We are pleased to provide you with registration information for Jericho STEM Science Academy/Jericho JC for the 2018-2019 school year. We are proud of the goals we have accomplished with your children this school year. Very few schools are able to achieve this level of quality education. We work very hard to maintain our high level of teacher qualifications and low pupil teacher ratios along with many other criteria in order to meet our high standards. The faculty at Jericho is a group of highly trained professionals who understands early childhood education and child development and has a true love for working with young children and their families.

We are dedicated to keeping tuition reasonably priced for parents while keeping the quality of the educational experience for the children high. Our tuition is comparable to other preschools in the area but the quality of education due to our STEM program surpasses all others.

New for the 2018-19 school year will be team teaching in math and literacy for our Pre-K students. Allowing our teachers to focus on one of these subjects will provide for a greater level of expertise. Also, when teachers have the opportunity to teach what they love, they're likely to be more invested. Teachers will take equal ownership of the students. The motto "everybody's kids are everybody's kids" becomes a reality. Teachers will have the opportunity to bond with more students, not just their own which fosters our family feeling at the Jericho JC.

Once your child is registered in a class, you will receive a mailing that includes information about the first few weeks of school.

Thank you for registering at the Jericho STEM Science Academy for your child's first school experience!

Warm Regards,
Ilene Morrin
Director

--	--

I understand and agree to the following:

1. I will submit a deposit per child made payable to Jericho JC in the amount of \$600.00 (Toddlers), \$750.00 (Three-Year-Old and Pre-K Class) with my application. I understand that this deposit is non-refundable and non-transferable and will be applied to my child's tuition.
2. The obligation to pay the tuition for the full academic year is unconditional. Prior to June 30, 2018 all tuition paid, less the deposit, will be refunded in the event of the withdrawal of my child from the school. No portion of any fees paid (deposit and/or tuition) will be refunded or cancelled after June 30, 2018 for any reason whatsoever.
3. I am responsible for the total tuition regardless of absences. No refunds, credits or cancellations of fees will be given for school closings or extended vacations. There are no makeup days for personal absences.
4. If any tuition payment is more than one month in arrears during the 2018-2019 academic year, my child will not be permitted to attend the program until my account is made current. In addition, a \$20 service fee will be added to the outstanding balance in any month that the payment is not made within 30 days of its due date. Between May 2018 when payments begin and September 2018 when classes begin, if my account is more than 30 days in arrears, my child's placement in the program will no longer be guaranteed and my deposit may be forfeited.
5. JJC Nursery School reserves the right to refuse or cancel registration and enrollment at any time for reasons of health, safety, or emotional problems that the school deems may endanger the welfare of the children. In such event, tuition will be pro-rated for the period attended, unless termination is due to non-payment of tuition. In that instance, I will make payment in full no later than January 15, 2019.
6. JJC Synagogue membership is not required for enrollment in JJC Nursery School. One-year free membership will be offered for new students.
7. I understand that class placement is at the discretion of the JJC Nursery School Director. If my child is receiving special services (speech, OT, PT, SEIT, etc.), has a(n) medical or emotional condition, or a developmental or language delay, I will inform the JJC Nursery School Director prior to registration to help determine the proper class placement.
8. If my child requires individual attention, the JJC Nursery School Director and teacher will meet with me (child's parent) to discuss how my child can remain at the Nursery School. If it is determined that my child needs an aide, all expenses required for the additional staff member and not covered by the school district will be paid by me (child's parent).

I have read the JJC Agreement in full and will comply with the provisions above.
