Tuition is annual, due on the first of the month and divided into 10 equal installments. Tuition is not based on month-to-month payments. Yearly tuition is paid in 10 installments. Tuition for children starting after the school year begins will have the number of tuition installments pro-rated based on their start date. A 3% service charge will be added for all payments made by credit card. There will be a 10% discount for each additional child after the first child in the same family. Upon registration, two equal payments are required, one credited to your first payment and one to your last payment. If you wish to withdraw your child in the first month of school your security payment will be refunded less a \$500.00-dollar fee. After the first month of school no refunds will be made. No refunds will be given for school closings or extended vacations. There will be a 3% discount if you pay in full.
